

<b>Session ID</b>	<b>Additional Comments</b>	<b>What subjects would you like to see addressed in future CSCs?</b>
S29	Not much panel input. Some parts too superficial. Would like to have seen more detail on process	
S29	Felipe Gutierrez did almost all of session. It was great but not given time to convolute. Facilitator good but struggled taking away from Felipe and engaging others	
S29	Too basic and not that informative
