

Comments for Session: E28

Question: Additional Comments

Additional Comments:

I enjoyed this panel. It was refreshing to have a panel that educated the audience and answered questions. Too often, attorneys on other panels use the panel as an opportunity to brag about their accomplishments. It would be nice to have more panels like the drone panel and less of the self-promoting

Additional Comments:

Good balance of the Panel -
w/ a great mix of technology & legal
construction developments. Very informative!

Additional Comments:

none
