

Session ID	Additional Comments	What subjects would you like to see addressed in future CSCs?
S01	Useful but not transformative. Would be better to distribute construction materials, so we do not have to email for them	
S01	Great experience and content, very helpful	Yes
S01	I always appreciate hearing from Deb and Bill. Great job, as always	Company and contrasting ADR and formal dispute practices and procedures between n.s. and international construction disputes
S01	Address questions more direct	
S01	Too cold. Good presentation and appreciate comparative elements. Would like hard copy notes to annotate	
S01	Deb needs to sit while presenting. She walked the aisle and I never saw her. It was like a podcast	
S01	Very well done	
S01	Debra Masin, a bit rambling, read from notes, not practiced speaker. Bill Franczek, provided solid experience examples, knowledge of industry trends	
S01	The panel was very experienced and was able to layout new ideas when in mediation and arbitration	

<b>Session ID</b>	<b>Additional Comments</b>	<b>What subjects would you like to see addressed in future CSCs?</b>
S01	Excellent practical advice from Shelly Ewald. Strong panel. A very good take on a commonly addressed topic	
S01	More practical examples
