

Session ID	Additional Comments	What subjects would you like to see addressed in future CSCs?
S05	Very pragmatic session with practical application	
S05	This was one of the better presentations in the past five years. More talk on CMAR, real nsu, but otherwise great presentation. More discussion on how PL works, really works, too	
S05	Alicia Lopez, while very knowledgeable, was very difficult to understand	
S05	In addition to HVAC issues, it is very loud outside the room	
S05	Room was cold	
S05	Knowledgeable panel, concrete info
