

Session ID	Additional Comments	What subjects would you like to see addressed in future CSCs?
S10	The program started out slowly for the first 15 minutes or so. I would have had all three panelists interacting more with one another to start with	
S10	Bob Rubin brought great knowledge but his presentation was tortured and took up too much time	
S10	Robert spoke too long and read the introductory statement which lost a lot of people	
S10	Spent too much time going over the history of consequential damages
