

Session ID	Additional Comments	What subjects would you like to see addressed in future CSCs?
S24	First third too basic then got good	
S24	Course remains a bit rudimentary but was good overall. Disagreed with Rice on some things but positive overall. More insurance courses in the future please!	There are way too many litigation courses. Enough on arbitration and mediation. Need more practical courses like safety, insurance, employment, etc
S24	Room too cold. Moderator spoke too much I wanted to hear more from the other speakers	
S24	The presentation was given at a fairly basic level	
S24	Really enjoyed Sue Arlands practical comments	
S24	Very informative	
S24	Best. Actually got into the nuts and bolts of the language	
S24	The panel ran out of time before all the material was presented	
S24		Would love to hear about insurance and indemnification protection in OCIPs, ECIPs and wrap ups, and potential coverage gaps to watch for
