

Session ID	Additional Comments	What subjects would you like to see addressed in future CSCs?
S27	The moderator Toshi Dezaki was the most effective of the whole conference. He actually managed the speakers time!	
S27	Scott Fitzsimmons was particularly informative	
S27	Good info, need more time on adtl sessions	
S27	Very technical. The overview of the presentation made this sound more broad in application	
S27	Good content. Helpful but horrifyingly dull. I know its regulatory content but spice it up!	Safety, employment, insurance bonding. More practical subjects. Enough with the mediation and arbitration topics
